Electrophysiology 1988

Electrophysiology 1993

Katheterablationen seit 1993

Electrophysiology 2016

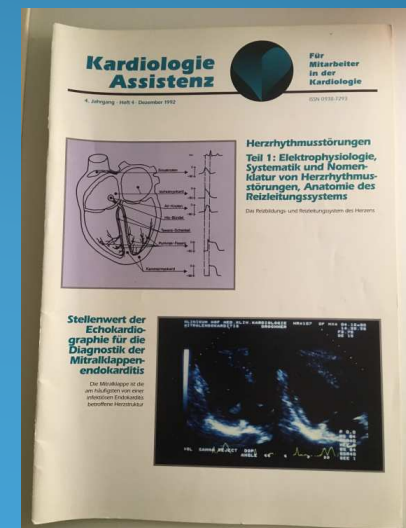

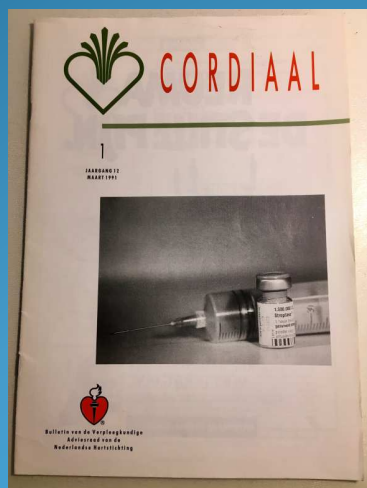

hirslanden
Klinik Im Park

Foundation of the working group

Prof. Hans Peter Krayenbühl

Aims of the working group

- Exchange of experience
- Organize further education
- Collaboration with the Swiss Society of Cardiology
- Cooperation with companies

Problems for the working group

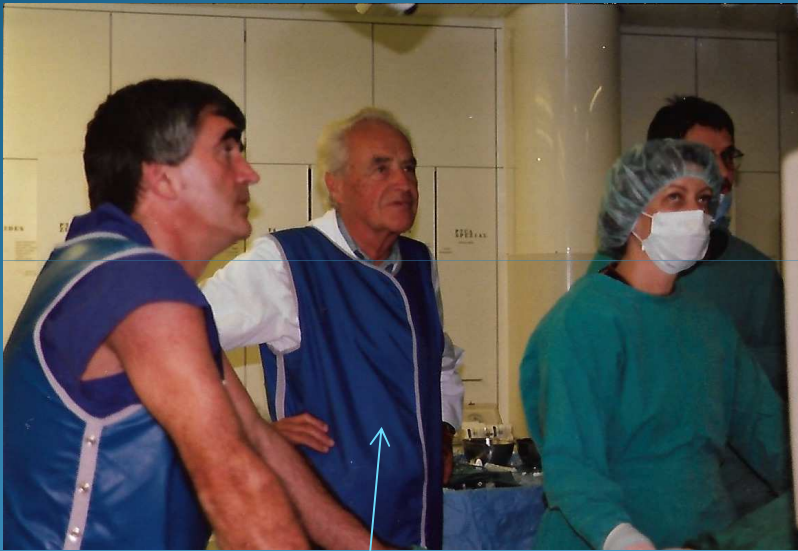

- 3 Different languages
- Everything had to be done in free time
- No computers, no mail, no mobile phones
- Little experience with the creation of a working group
- Differences in professional education

Collaboration with the Swiss Society of Cardiology

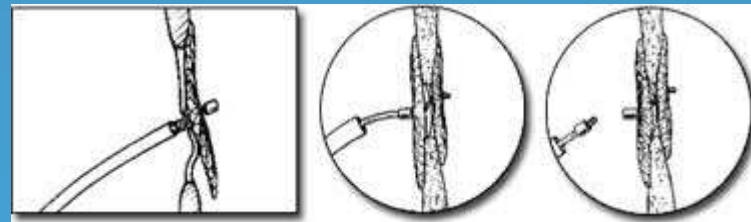

Jahr	Titel des Kurses oder der Veranstaltung	Veranstalter	Ort Dauer: von ... bis ... Anzahl Tage/Stunden	Art d oder Leis
1993		SVAIK ASPITCI	Bern 6.11.93	
1994	Weißerbildungs- Sag	SVAIK ASPITCI	Bern 5.11.94	

PFO Closure with the Amplatzer PFO Occluder 10-09-1997

Prof. K. Amplatz

Interdisciplinary teamwork 1977

Dr. A. Grüntzig

Fr. M. Schlumpf

Prof. A. Senning
Herzchirurgie

Interdisciplinary teamwork in the cath.lab

Vielen Dank
