10th Scientific Meeting of the Swiss Society of Pediatric Cardiology

November 16th 2018 - BT03 Beaumont Auditorium CHUV, Lausanne

Dear Colleagues

It is our great pleasure to invite you to the 10th Scientific Meeting of the Swiss Society of Pediatric Cardiology in Lausanne. The program highlights a range of topics including surgery, intervention, genetics and cardiac failure.

In addition, interesting case reports and current research in your centers will provide a platform for exchange.

We are looking forward to meeting you in Lausanne.
